EDITORIAL

Volume 36 No 4

Just like the unpredictable nature of a British Springtime, we've got an issue that's neither one thing nor the other this month. Braving the outside for us are US-based Hannah and our very own Stella, who's always happy to go wherever we tell her and get her kit off. OK, so we actually shipped her off to an exotic hotspot, but still, public gash-flashing is the same wherever you do it. As for everyone else, well, they're still sticking to indoor sports for now. I think we should give it a few more years of global warming before we send too many girls outside at this time of year. Still, there's nothing wrong with indoor sports – a frame or three with Evelyn has got to be worth an evening of anyone's time, while the indoor sports Cassia and Crystal were getting up to would surely pack out the Crucible 100 times over. As the man said, "Ooh, and they're a couple of very bad misses..." – **The Ed.** ♣

LEGS 'AVE IT!

I am a regular reader and I thought I'd write in with a particular request. I'm what you would call a leg man, I love a girl with nice slender legs. Forget tits, forget arses, nothing turns me on then a girl with a nice pair of legs. Fortunately my missus is six feet tall so as you can imagine she has a cracking set of pins and I love having them wrapped around me, but quite frankly I can't get enough of them, so I'm writing in to ask if you could please feature more leggy models among your pages. Now I'm fully aware that most of the babes that appear in *Club* have decent walking gear but your photos don't show enough of them, so how about it, a whole issue dedicated to perfect pins?

Alan, Gosport

It might not be a whole issue (we have so many different tastes to satisfy) but check out Holly on page 92 of this very edition and you might be pleasantly surprised!

HAIR TODAY...

I loved the pics of Peaches in *Club* 36.3. She has always been one of my favourite porn stars and I'm overjoyed by her new image, particularly her flowing tresses. She's turned from a doe-eyed little princess to a ravishingly sexy woman – and just by changing her hair! I wish I could transform myself into a sex God by transforming my hair style but unfortunately there's no chance of that because I'm totally bald!

Len, Norfolk

JUST A SWIFT ONE

I've got to tell you and your readers all about something that happened to me recently. I was having a couple of lunchtime pints in my local when I noticed a couple sitting at another table. It was the bird that caught my eye *(we should hope it was – Ed.)*. Dressed in a skimpy halter top that cradled her large, bronzed boobs seductively and a short denim skirt that revealed her long tanned legs, the strawberry blonde nymph looked to be about 19 and could have easily been a model in your magazine while her companion a tall, strapping bloke, appeared about ten years older. Lucky bastard.

They were all over each other, boldly snogging and exchanging intimate caresses right there in front of everybody. I knew that I shouldn't be

DI-NAMITE!

Yet another knockout Reader's Girlfriend in last month's mag. Dainty little Di looked rather innocent but I'm guessing she isn't. Especially when she said she was thinking about going on *Big Brother*. I normally avoid that sort of crap on TV like the plague but if Di ever went on it, I'd think about watching it. Actually, I know what would make compulsive viewing – *Club Big Brother*. You could have all the girls in your mag sharing a house, what do you reckon?
Baz, Wolverhampton

Yes, but us editorial staff would probably need to go into the house as well, just to keep an eye on things. Anybody got the number for the boss of Channel 4?

watching, but couldn't help myself, in fact, it seemed as if they knew I was peeking and wanted to put on a show because the longer I stared, the bolder they became until blondie had shifted her sandalled feet far enough apart that I could look straight up her skirt. The dirty slut wasn't wearing any knickers! Her moist pink slit was clearly visible beneath a thin strip of golden pubic fur. After a while, the lush babe broke off the steamy liplock, whispered something in the guy's ear, then stared directly at me and crooked her finger. I couldn't believe it! She acted like she wanted me to join them! The minute her lover flashed me a grin, I knew they were serious.

But before I could make a move, they abruptly left the table and snuck out the back door. I didn't know what to do. Eventually my curiosity got the best of me so I downed the rest of my pint, and followed them. I almost fainted when I spied them huddled together at the end of the alley down the side of the pub. Blondie's halter top lay at her feet, her skirt was wadded up around her waist, and her hand was wrist deep inside

HANNAH'S HANDFULS

Have you any idea what Hannah's most popular features are?

PHOTOS: JACKS

The eagle-eyed among you will have no doubt noticed Hannah's name reads the same backwards as it does forwards. Cool, huh? OK, it's not really that cool but at least it gives us the excuse to suggest just like her name you can view her from either direction and she still looks great. Although, admittedly, our eyes are mysteriously drawn towards those wonderful tits of hers…

"Everybody comments on my breasts," Hannah told us. "I don't mind though! It's not like I ever hear a bad word about them – from men and women alike. A lot of girls tell me I've got great breasts and they'd love to have a pair like mine.

"As for the blokes, they're more likely to tell me what they'd love to do with a pair like mine. They want to suck them, squeeze them, lick them, bury their head between them, fuck them… I think you get the idea. And no guessing as to what they'd most like to do them?"

Erm, it wouldn't be to shoot their sticky loads all over them, would it?

"Bingo!" ♣

SCHEMING BITCH!

I can't believe I'm writing into a pornographic magazine because I've never looked at one in my life but after finding my husband's copy of your publication in the shed and subsequently looking through it I've got a question I really need to ask. On pages 37 to 43 there are a lesbian couple, Sonia and Suzy. Now, lesbianism certainly isn't my thing but I noticed the room they were doing their lesbian things in has exactly the same colour scheme I want to do my lounge in. Would there be any way you could find out where they got all their furnishings from, particularly the sofa? Your help in this matter would be much appreciated.

No offence, love, but do we look like Ideal Home & Garden?

er, my prick throbbing insanely.

"How you doing, mate?" the guy said. "My name's Dale and this little slut is Becky. I was just about to give her one, but if you want to help, jump in!"

How could I refuse? Grabbing hold of Becky's plump jugs, I sucked on her stiff, pink nipples while she unleashed Dale's cock with one hand and deftly opened my jeans with the other. I was a bit nervous about being caught, of course, but once Becky knelt down on the hard pavement to draw my rigid prick in her warm mouth, I stopped worrying. Dale stepped up beside me, poked his cock at Becky's cheek, then began lustfully fondling her dangling boobs. Becky immediately came off my spit-drenched knob to take Dale's massive length. Soon, she was switching back and forth between us, expertly deep-throating our throbbing dicks until Dale emitted a loud grunt, bucked his hips and sprayed her tonsils. I was on the verge myself, but after Dale had finished emptying his balls he lay Becky over onto a pile of beer crates, and lifted her shapely legs.

"Enjoy!" he huffed, slamming his semi-erect dick back down her throat.

The instant I spied her leaking slit, I knew I had to have a taste. Cupping her jiggling, tanned arse cheeks, I jabbed two fingers up her slippery hole, and swept my tongue along her swollen gash in long, smooth strokes. Becky went wild! Gyrating wildly, she ground her tasty twat at my searching mouth and eagerly swallowed Dale's impressive prick. I made her come so that I could sample her tangy love juice before fucking her wet hole.

Becky whooped loudly when I entered her. Bobbing furiously on Dale's dick, she raised her arse faster and faster as her vaginal muscles slowly contracted around my driving length. Once I'd exploded inside her, Dale tapped my shoulder and took my place in her sloppy pussy, leaving me to fuck her pretty face. By the time he'd squirted inside her cunt, I was ready for more. So was Becky!

"Don't stop!" she whined, squirming seductively. "Somebody fuck me!"

I was amazed! The buxom slut couldn't get enough! Flipping her over, I fucked her while Dale wanked off over her tits. The force of my final, orgasmic thrust caused the crates to collapse followed by me on top of Becky. Completely satisfied, I fixed my clothing and staggered down the alley as Dale plunged his resurrected prick into Becky's snatch one more time. I've

NETTING NATASHA

You have answered my dreams! I've been in love with Natasha Marley ever since I saw her starring in page 3 last year and now I'm always scouring the newsagent shelves for any magazines or newspapers that feature the tasty blonde. I've even been on the internet in search of some wilder pictures of her but after some extensive searching all I came up with some tame shots of her with her beautiful tits out – and nothing else. That is until I noticed she was in last month's *Club*.

She looks absolutely gorgeous in your pictures and while I'm not really into all that kinky stuff her PVC outfit certainly got me going. Best of all there were some shots of pussy, I certainly hadn't seen her snatch before and now I have I'm not disappointed. It would be nice to see her sticking a finger or two up her hole, but I guess that would be asking too much!

Vincent, Crewe

You're certainly in luck Vince. Especially if you've got internet access because there's naughtier pics of Natasha to be found at www.sexclub.co.uk!

never met up with the again, but you can bet I keep looking every time I nip out for a lunchtime pint!
Ben, Andover

MARY, WHERE ARE YE?

I was perusing some of my old issues of your magazine recently and found one from about two years ago that featured a model called Mary. She was a delightful brown-skinned babe with nice round tits and a perfectly shaven snatch. I remember when I first bought the magazine with her in I thought to myself she is definitely someone I would like to see more of in *Club* but alas, I don't think you have featured her again. That is a great shame because I think she is one of the most beautiful girls that has ever appeared in *Club*. And that's saying something given the standard of females you feature. I had some very dirty thoughts when I used to look at her pictures. My favourite fantasy consisted of me eating out her juicy pussy while she sucked on my prick and then we would both come at the same time into each other's mouths. If you could print some more pictures of Mary I would be eternally grateful, or even just feature some more delicious dark-skinned honies for my viewing pleasure. It is the 21st century after all!
Peter, Cambridge

> **"Her vaginal muscles contracted around my driving length"**

I DREAM OF GINA

I totally agree with Andy's letter from issue 36.2. Gina is a hot looking babe and one that I would love to fuck. When I first saw her in your mag I immediately felt a massive hard-on from deep within my trousers. In fact I was so turned on just looking at her gorgeous body that I couldn't resist wanking off to her as she is dead sexy.

While I was jerking off the first time I started to imagine in my head what I would love to do to her. My dirty-minded imagination was to have Gina right on top of me (totally naked and in bed, of course) with every inch of my hard cock deep inside her pussy and as I'm gently fucking her she is screaming and moaning in total ecstasy. As I'm about to come I imagine quickly whipping out my cock from her pussy and spraying my warm jets of spunk all over her gorgeous tits. Even as I'm writing this letter the thought of fucking Gina is making me feel very horny. With a girl that sexy I'd love to fuck her anytime!
Chris, Lowestoft ♣

FARM HAND-JOB

I bought last month's issue of *Club* on the strength of the girl on the cover. I love a nice skinny figure and long hair on a girl so I was made up by the appearance of Cassie. What made things even better for me is that she's a farmer's daughter. I'm a farmer's son and have grown up in near enough isolation so I can definitely relate to what she said about not turning down any sexual opportunities when they arise. There certainly isn't any point having standards where I live and unfortunately none of the women I've ever shagged are anything near as drop dead gorgeous as Cassie. Still I'm off to university later this year so I'm hoping there'll be more girls on offer and I'll be able to raise my standards. Anyway, I'm going to be buying your mag every month from now on and I hope to see Cassie in it again soon. Maybe milking a cow?

LINDA'S ALL IN!

Torn between a girlie night out and a double-dicking – Linda has the ideal solution!

PHOTOS: VLT

All dressed up and nowhere to go? Poor Linda. But don't go feeling too sorry for her, it's her own fault she's not out on the town with her mates tonight. She's only gone and double-booked. Quite literally. You see, a few weeks back she took her on/off boyfriend up on an offer to fuck him and his mate at the same time and tonight's the night!

"It's one of my best mate's birthdays and all the girls are going out clubbing but I'd totally forgotten the promise I made to my fella," she moaned. "He's going away for six months and this'll be the last chance to see him. He told me he didn't mind me fucking other guys while he's away, as long as he could watch me being screwed by someone else and then join in before he left, so he's coming round with a mate tonight. I'm quite looking forward to taking two dicks at once, I've never been that greedy before! But I am a bit annoyed that I'm going to miss out on my mate's birthday. Saying that, I could always invite her and the rest of the girls round later. I'm sure my boyfriend and his mate would appreciate it!" ♣

The LOWDOWN

It's all here – from scraping from the world's newsbins, to top tips and fanciful facts. If you want to keep your finger on the pulse, you'd better get... the Lowdown!

Aye, lads... there's

NOWT AS QUEER AS FUCK

"MY MOMMY IS MENTAL"

Indiana police recently slammed on the brakes and stopped to help a three-year-old boy wearing only a diaper and T-shirt who was wandering alone along the middle of Interstate 465. When they tracked down his mother, one grubby Nancy Dyer, in her filthy Indianapolis apartment, they discovered Dyer's two-year-old daughter was eating spaghetti off the floor. Upon being told that her son had been picked up in shit condition on a major highway, the grotty skank responded: "Yah, whatever, so he got out again..."

THE WISDOM OF OUR TRUSTED BOBBIES

For two months late last year, after a pair of convicted murderers escaped from Sudbury prison, the local Derbyshire police refused to release their pictures on the grounds that "Photographs of named people that are in police possession are classed as data, and their release is restricted by law to instances where there is a proper policing purpose." The Derbyshire cops reckoned that since the escapees had probably left the area, there was no such purpose, so the photographs should be kept confidential. And so nobody would know what the murderers looked like. No, not even supposing you were to be sitting between them at a bus shelter.

INCREASING NUMBER OF *JACKASS* FANS WIND UP AS ROADKILL

An 18-year-old cretin from Topeka, Kansas has become the latest casualty among idiots copying stunts in *Jackass* while their "friends" film them with camcorders after tossing himself out of a car and scraping off part of his head on the road.

Other video performers have recently come to grief after "ghost riding the whip" – i.e. letting their cars coast downhill in neutral while they climb onto the roof to dance - with two fatalities and numerous maimings notched up to date.

And in another (not altogether unrelated) development, 22-year-old nutter Jonathan Mendonca, was hospitalised in critical condition in Fort Lauderdale, Florida, after trying out the latest halfwit craze: "skiing"...to wit: holding onto the back bumper of a car travelling on an Interstate at 65 mph.

URBAN LEGEND...

...OR HARD FACT? YOU DECIDE!

Not hoaxes or tall tales at all, but genuine phenomena and things that happened to real friends of friends of people's distant relatives... No honestly.

"THE FAT SCREAMING PIANIST"

In the 1960s an obese woman in late middle-age was entertaining a party of some 20 or 30 people one night with her piano playing. She was very talented and had even landed a record deal, but her husband, who was also a pianist, though unsuccessful, had left her in a fit of jealous rage and since that day all her tunes had tended to be subdued and melancholy.

On the night in question all the people arrived at this woman's house and settled down to hear what they felt sure would be a tender and moving piano recital. But when the butler pulled the curtain aside to reveal the fat woman behind her Steinway she was tossing her head around and screaming as she played the jolliest party tunes anyone present had ever heard.

No-one knew quite what to do so they all clapped. And all the time the fat woman was throwing her head back while playing incredibly cheerful ditties like 'The Sun Has Got His Hat On' and shrieking like a lunatic from hell.

Well, this went on for nearly an hour, until suddenly the woman ceased shrieking. Her head slumped forward onto her bust and just rested there while her hands continued tickling the ivories. At this point, one young man in the front row became suspicious and stood up. "Look," he said, "put the lights on somebody. I jolly well think she's dead."

"Nonsense," said another man. "If she's dead how can she still be playing the piano?"

"I'll show you!" said the young man. "Why," he cried, "I'll bally show you all."

And he marched round behind the piano and dragged the fat woman's husband out of the back of her dress. He was right. The woman was dead. And the reason she'd been shrieking was that her envious husband had chopped off her arms immediately prior to the performance, pushed himself up inside the back of her dress, and poked his own arms through the sleeves of her voluminous dress to play the piano... and demonstrate that he was far more talented a pianist than his wife!

Michael Collins (centre) – not getting to play on the moon

In this month...

17 YEARS AGO

1990. Margaret Thatcher's glorious 11-year reign of abject misery for the masses comes to an abrupt end when her all-male cabinet finally admit to each other that Maggie is giving them all such terrible hard-ons that they can no longer function effectively with such an incredible piece of tottie in the room. In a bitter stepping-down speech, Thatcher castigates her former colleagues for stabbing her in the back, while Tory back-benchers loosen their collars and admit they'd far rather have stabbed her in the mimsy.

38 YEARS AGO

1969. Edgy American astronauts Neil Armstrong, "Buzz" Aldrin, and Michael Collins sit around a table at Cape Catastrophe saying things like "Only another 12 weeks or something to go and we'll be off to the bleedin' moon! Makes you think, don't it?!" and "Right: so which one of the three of us is going to stay in the capsule while the other two go down to the surface in the lunar module?".

Scoutleader Hess before he was incarcerated in Spandex

Whereupon everybody looks at Michael Collins, who laughs nervously and says "What? What's the big joke? Come on, guys... What is it?"

67 YEARS AGO

1940. German Deputy Fuhrer Rudolph Hess lands a small plane in Scotland and receives a pitchfork up his crack from a local farmer while demanding to speak to Churchill. Back in the Fatherland, Adolf is infuriated by his right-hand man's shock desertion and foolishly gives his job to big fat bungling blowhard Herman Goering, who doesn't know what the fuck he's doing any more than Adolf does. Hess will remain in Allied custody for the next three hundred years, spending most of his incarceration in Berlin in a specially created "stretchy" prison made from a new material called "Spandex".

Hess being interviewed in Scotland 1940

238 YEARS AGO

1769. Napoleon Bonaparte is born on the island of Corsica. From the outset he is a precocious baby, demanding from his cradle that everyone on the island form up neatly in lines and practice marching to amuse him. Three decades later he will assume supreme power in France as First Consul, and behave just as childishly when the other two Consuls refuse to go along with him – habitually sticking his hand inside his jacket near the Cowell-esque waistline and threatening to pull his cock out if they don't do things his way.

1. Can we leave it tonight? I've just got to the good bit in my book.

2. Damn... I promised my hair I'd wash it.

4. I've got one of my headaches and its spreading to my vag.

5. We're not doing it while my grandmother's staying over. Not unless she's involved.

6. No way. I don't fancy a dose of whatever that slut of yours has got.

7. Can't right now, pet. I was mending a hole in me knickers and I've accidentally sewn up me twat.

8. Sorry, you'll have to come back later, I have to take care of the landlord first.

IN THE NIC OF TIME!

Nicola's one of those girls who's definitely worth the wait!

PHOTOS: MB EUROMEDIA

We've been meaning to catch up with Nicola for ages but she's been very hard to get hold of on account of the fact that she's had to change address several times in the last six months. It's something to do with a crazed ex-boyfriend continuing to pester her, but as horrible as it might have been for Nicola, you can hardly blame him, can you? At least the lucky bastard had the pleasure of being her boyfriend…

"Don't get too jealous, he might have been my boyfriend but I never shagged him. I know it's hard to believe, but I make it a strict rule not to sleep with a guy until I've been seeing him for at least a month. It's not that easy, especially with my sexual appetite but I just like to be sure. If they're willing to wait a month then it generally proves they like me for more than just my body. But the best thing about making them wait a month is they're so grateful when I do let them fuck me they make double the effort in bed!" ♣

This Month: DIGITAL MUSIC

Technological essentials for the 21st century chap. JACK BRAND picks out the good, the bad and the ugly of the gadget world...

Not since the arrival of the CD back in the 1980s has a new technology been so readily embraced to the collective bosom. Yes, the legacy of the CD is that digital encoded music is now easily the most popular in the world, and possibly the most popular thing ever, overtaking money, sex and organised religion.

The trouble with this digital encoding was, however, that there was no way for Joe Average to do it himself at home, at least not with the huge size of the computer files he was left with... then came MP3 and everything changed forever. Finally, we mere mortals had access to a form of digital compression that didn't lose too much quality. The digital revolution had started in the home and all it needed now was some kind of champion. Perhaps all in white. And perhaps with a ridiculous name.

While MP3-players began to appear on the market apace, it wasn't until the arrival of the iPod that the popularity of digital music exploded. But with it came its own problems: the fact that, other than MP3, there were other compression formats being used, not all of which worked together, and Apple was staunchly sticking to just the one.

FORMAT WARS

MP3 (Motion Picture Expert Group Audio Layer 3) was the first and one of the more powerful compression codecs, able to crush audio files like a giant stepping on a small village. The problem with MP3, however, was info that it deemed unnecessary was thrown away onto the digital pavement, resulting in the new file possessing less quality than the CD it came from.

Next up came WMA (Windows Media Audio), developed by Microsoft. Then there's AAC (Advanced Audio Coding). Apple's favourite, it's more efficient than MP3 and produces better quality results. But, due to Apple's favouritism here, few other players support AAC. Out of spite, I like to think.

Then comes ATRAC (Adaptive Transform Acoustic Coding), developed by Sony for the, ahem, MiniDisc. Finally, there's OGG (Ogg Vorbis), an open source that has rapidly growing support. Freedom, however, comes at a price and, because it's free, very few players are compatible.

So that's the nerdlinger technology side. But digital music is supposed to be fun, so let's get to the fun stuff.

THE ESSENTIAL KIT

Apple iPhone

Price: 4GB: $499; 8GB: $599

Visit: www.apple.com/uk

Locked to ruddy iTunes it may be, but there's little doubting that for pure performance, ease of use and playability, the iPod had it all. So, by adding a fully featured mobile phone with Internet access, Wi-Fi, Bluetooth, a QWERTY keyboard and a sexy touchscreen control system, the iPod has transformed from the must-have gadget of the moment into the I'd-be-willing-to-commit-murder-to-possess device of the near future.

Maxfield Max-Sin Touch

Price: £90

Visit: www.maxfield.de

Beautiful to behold, the MAX-SIN supports MP3, WMA and even OGG, making it as flexible as it is beautiful. There's a microphone for voice notes, a red OLED touchpad and it comes in 512MB and 1GB models. Perhaps the lowest specced model here, but if sex sells, then it's set to make a filthy fortune.

Microsoft Zune

Price: 30GB: £180

Visit: www.bestpriced-brands.co.uk

Considered by many to be the first real threat to Apple's dominance, the Zune features a 3-inch screen, a built in FM radio and Wi-Fi. However, delayed to possibly 2008 in the UK, how can it possibly hope to compete with the iPhone in terms of features and availability?

Samsung YP-T9

Price: 1GB: £89; 2GB: £119; 4GB: £149

Visit: www.samsung.com/uk

Fresh off the production line, the T9 is a very sexy new beast that boasts a 2,000 WMA track memory (with the 4GB model), a 1.8-inch display, video and photo playback, FM tuner and a 30-hour battery. But, what makes the T9 so impressive for the money is the inclusion of Bluetooth, meaning you can wirelessly stream music to your Bluetooth enabled headphones.

Zen V Plus

Price: from £75

Visit: www.creative.com

Creative have been knocking around in the background for some time now, quietly churning out cunning players that manage to compete with the iPod in terms of features, if not looks. The new Zen V Plus sees Creative adding sexy aesthetics to a 1.5-inch display, built-in microphone for voice notes, FM tuner, compatibility with MP3 and WMA, and even the ability to record straight to WMA. Tiny to boot, the value for money Zen V Plus, seems to tick all the right boxes and will stop you from being just another iPod-head. ♣

I don't know about you, but I am so glad it's getting a bit warmer outside. Having to stay indoors during the winter months drives me mad, so when the slightest hint of sunshine appears I can't wait to get out in the open. And when it's warm enough I'm the first to shed my clothes – well, I've got to keep my tan topped up, haven't I?

There's nothing more relaxing than an afternoon spent in the back garden, soaking up the sun. Obviously, it's better if I have some company – male or female, I'm not choosy – but even if I'm on my own I still enjoy myself. Take last week for example, I had a few days off and the sun was shining so I thought I'd make the most of it. I'd got myself nice and comfortable, stripped off to my knickers and spread myself on the lawn.

Within minutes I was drifting into a very dirty daydream involving myself and a couple of guys. I imagined they were doing some work in my back garden and I was just laying there eyeing them up. They were both topless and I was admiring their well-built physiques when they spotted me paying them attention so they came over to me. I started rubbing their crotches through their jeans and when I knew they were both hard for me, I unzipped their jeans, pulled out their cocks and started sucking on them.

While I took turns on giving them blowjobs I had one hand down my knickers and was frantically rubbing my wet pussy. At this point I awoke and while I didn't have two willing studs to hand, I did have my hand down my knickers, teasing my twat. The dream had got me so hot and bothered I desperately wanted someone to come and fuck me. Being home alone there was no chance of that happening so in the end I had to resort to popping indoors to get my favourite dildo to finish myself off with. Still, it did the trick! ♣

GOING LARGE

Two American tourists were driving through Wales. As they were approaching Llanfairpwllgwyngyllgogerychwyrndrobwllllantysiliogogogoch they started arguing about the pronunciation of the town's name. They argued back and forth until they stopped for lunch.

As they stood at the counter, one tourist asked the girl serving: "Excuse me, but before we order, could you please settle an argument for us? Would you please pronounce exactly where we are... very slowly?"

So the girl leaned over the counter and said, "Burrrrrrr-gerrrrrrr Kiiiiing."

COLLISION CALL

A woman phones up her husband at work for a chat but he says: "I'm sorry, love, but I'm up to my neck in work today."

"But I've got some good news and some bad news for you dear," she says.

"OK then darling," he replies, "I've got no time now, just give me the good news"

So she says: "Well, the air bag works..."

PET CEMETERY

Little Jenny was in the garden filling in a hole when her neighbour peered over the fence. Interested in what the cheeky-faced youngster was doing, he politely asked, "What are you up to there, Jenny?"

"My goldfish died," replied Jenny tearfully, without looking up, "and I've just buried him."

The neighbour was concerned, "That's an awfully big hole for a little goldfish, isn't it?"

Jenny patted down the last heap of earth then replied, "That's because he's inside your fucking cat!"

BIRD TALKING DIRTY

A woman went to a pet shop and immediately spotted a large beautiful parrot. There was a sign on the cage that said £50.

"Why so little?" she asked the pet shop owner.

The owner looked at her and said, "Look, I should tell you first that this bird used to live in a house of prostitution, and sometimes it says some pretty vulgar stuff."

The woman thought about this, but decided she had to have the bird anyway, so she bought it. She took it home and hung the bird's cage up in her living room and waited for it to say something. The bird looked around the room, then at her, and said, "New house, new madam."

The woman was a bit shocked at the implication, but then thought, "that's not so bad."

When her two teenage daughters returned from school the bird saw them and said, "New house, new madam, new girls."

The girls and the woman were a bit offended but then began to laugh about the situation. Moments later, the woman's husband, Keith, came home from work.

The bird looked at him and said, "Hello Keith!"

SHAGGY DOG STORY

A bloke sees a sign in front of a house: "Talking Dog for Sale." He rings the bell and the owner tells him the dog is in the back garden. The bloke goes into the back garden and sees a black dog just sitting there.

"Do you talk?" he asks.

"I Sure do," the dog replies.

"So, what's your story?"

The dog looks up and says, "Well, I discovered my gift of talking pretty young and I wanted to help the government, so I told MI5 about my gift, and in no time they had me jetting from country to country sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies for years.

"The jetting around really tired me out, and I wanted to settle down. So I signed up for a job at the airport to do some undercover security work, mostly wandering near suspicious characters and listening in. I uncovered some incredible dealings there and was awarded a batch of medals. Had a wife, a mess of puppies, and now I'm just retired."

The guy is amazed. He goes back in and asks the owner what he wants for the dog. The owner says, "Ten quid."

The guy says, "This dog is amazing. Why on earth are you selling him so cheap?"

"Cause he's a fucking liar. He didn't do any of that spy shit."

147TH HEAVEN

Evelyn's table manners have been driving us potty!

PHOTOS: TIM FOX/MARTIN PATEK

When the Editor announced he was organising a *Club International* snooker tournament there weren't too many takers at first. It's not that we don't like spending our free time with our fellow colleagues, it's just that… erm, snooker? It's a bit of a boring game, isn't it? Of course, all that changed when he told us the exquisite Evelyn would be entering, then cues were being whipped out left, right and centre. Well, you know what they say, you've got to be in it to win it…

"I've always thought snooker is a real man's game," Evelyn confessed over a few frames. "Forget all those really physical sports like rugby, boxing and football – a snooker player is far sexier. A snooker player has to be cunning, he has to take his time and he has to be precise with his cue. Sometimes he'll have to play it gently, other times he'll have to go for a real hard shot. And I love watching the black one go down!"

That's enough, Evelyn – we're trying for a deep screw here, and you're putting us off our stroke! ♣

MAYBACH TO THE FUTURE

Is your piggy bank starting to bulge? Then why not blow a lifetime's earnings on this baby…?

Nobody likes to see people suffering. True, watching the French having a shit time never fails to raise a smile. But on the whole, we humans are a sympathetic race. So spare a thought for the plight of those who've emerged from the misery of living behind the Iron Curtain, only to be fucked up the arse all over again by a group of opportunist oligarchs.

Still, bosses at Maybach don't go in for any of this sentimental claptrap. They must be rubbing their hands together in glee at the state of the stale bread-munching proletariat. Because without this underbelly of paupers, and the multi-billionaire class their plight has helped create, the company wouldn't have a market for its ludicrously luxurious cars.

The new 62S joins a class of super-bling luxury machines and, at £341,585, the Maybach is the model of choice if your name is Abramovich or Lisin. Smack that, I'll have two.

It's not as ostentatious as a Rolls-Royce Phantom, so sales in certain markets will probably be limited. But in terms of road presence, the new 62S trumps the Roller. As well as being fitted with enormous 20-inch alloys, it's more than six metres long and a metre and half wide, while the wheelbase measures nearly four metres. That's bigger than some £340,000 one-bedroom flats in Islington.

But the reason for buying a car like this becomes obvious as soon as you climb into the rear: it's a chauffeur-driven owner's dream. The back doors open to 85 degrees to aid access to one of the biggest and most sumptuous spaces on four wheels. There's 1,041 of legroom, 651mm of knee room, 1,010mm of headroom, 1,563 of shoulder room and 1,601mm of elbow room. It's simply enormous.

And there's luxury to match. Everything is finished to the highest standard imaginable, from the beautiful piano lacquer to the carbon or anthracite poplar wood trim, while Grand Nappa leather crafted from a total of 210 hide sections is used extensively. The two individual rear seats recline by up to 47 degrees, and incorporate pneumatically adjustable air cushions to give occupants a massage after a hard day of spending. There are even a couple of fold-up tables for those occasions when owners may want to count their money on the move.

Add in a pair of TFT colour screens linked to a DVD player, plus a six-CD multichanger, a fridge and ingenious holders for the specially designed Maybach champagne glasses, and your every whim is catered for.

Yet if you want to keep the car as standard, you can rest assured that engineers have gone to great lengths to get the best possible lighting in the back. A panoramic glass roof can be specified, lined with an electro-luminescent membrane to give diffused illumination, while lamps are positioned carefully around the interior to help you see as little or as much as you like. Curtains on the rear screen and side windows provide privacy for watching nasty German fisting movies en route.

The cockpit is equally sumptuous, although owners may want to take out a few of the luxuries to ensure their driver doesn't get ideas above his station. Especially as he'll have more than enough fun with the pace on offer – that's what really sets the newcomer apart from other luxury limousines. The S in 62S stands for special, but it could also stand for 'Shit the bed!'.

The performance is relentless, and it's all thanks to the twin-turbocharged, water-cooled 6.0-litre V12 under the bonnet. For the 62S, this has been uprated to deliver 612bhp to the rear wheels – that's 62bhp more than the standard long-wheelbase 62. The result is a 0-62mph sprint time of 5.2 seconds and a top speed which is electronically limited to 155mph. That's similar to a Porsche 911. But look at the car; not only is it enormous, it tips the scales at nearly three tonnes. It shouldn't be able to go this fast!

Especially when that pace is blended with such impressive high-speed refinement. The car rides beautifully, every pothole and surface imperfection on Britain's crumbling road network is ironed out with ease. Not surprisingly, if pushed really hard through bends, the Maybach reaches its limits sooner than some cars costing a fraction of the price. But the steering is precise and accurate, and the 62S is never anything but reassuring and predictable; you don't buy a machine like this for its cornering agility, after all.

Thank god communism turned out to be a load of old cock. If the people really had power, we'd all be driving round in nasty old Trabants and FSOs. And the world would never have seen the incredible blend of luxury and performance that is the 62S. It may have sent Lenin's morbidly embalmed body into a frantic spin, and sea levels may well rise every time someone so much as fires the engine, but the Maybach has to be the finest car on what's left of the planet. ♣

CASSIA & CRYSTAL

DUVET DAZE

These two won't get out of bed for anything less than each other!

PHOTOS: NICHOLAS SAGE

Don't you agree that Cassia and Crystal make delightful bed fellows? In all honesty we think the combination of any two (or more) beautiful women in the boudoir is always a good look, but this pair really are something else. We could sit back and watch them at it all day – which is just as well since they like going the distance…

"Remember the time we stayed in bed for a whole day?" Blonde babe Crystal asked her stunning pal.

"How can I forget it?" replied Cassia. "It was one of the most intense sexual experiences I have ever had. I don't think I have climaxed so many times. When you started using your tongue I was taken to another level of physical ecstasy."

"Yes, babe, but it takes two to tango and your tongue was certainly up for dancing. By the end of that weekend you only had to lick your lips and my legs turned to jelly."

Well, you know where to come if you want some cream to go with that jelly! ♣

WHAT'S SHE LIKE? Proof that blondes really do have more fun!

WHY DID YOU WANT TO BE IN CLUB?
It's something I've wanted to do for ages but I've never had the courage until my latest boyfriend told me I would be really good at it. Do you think I'm good at it?

WELL, JUDGING BY THESE PHOTOS THE ANSWER IS DEFINITELY YES.
That's a relief, I thought I might have to impress you in other ways – like telling you how dirty I can be.

IS THAT SO? TELL US MORE...
Even though I have a boyfriend we have a very open relationship. I'm cool with him sleeping around as long as he doesn't mind me fucking other men. And I make sure I fuck a different guy at least once a week.

DOES YOUR BOYFRIEND EVER JOIN IN?
No, but I've joined in with him and another girl. He brought her home from a club one night, thinking I wasn't in. When he found me in bed already, rather than send her home in a taxi I suggested they both get into bed with me. She was well up for it and showed my pussy more attention than his dick. I don't think he minded though, not with me sucking him off before he fucked her.

AND DID YOU SHOW HER PUSSY ANY ATTENTION?
I didn't lick her out, I only fingered her but I did get a taste of her pussy juices when I sucked off my boyfriend after he had fucked her.

DID YOU LIKE THE TASTE?
It was quite tangy, but I much prefer a mouthful of spunk! ♣

STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

Control 4 (Digital Playground) DVD

Don't know why we missed the first three, and now that we've seen number four, we're actually a bit gutted we did. This is a striking flick, featuring some of Digital Playground's tastiest new talent getting down and dirty – with a strongish hint of fetishy fun thrown in for good measure. The delectable Jamie Lynn breaks up the scenes with some smoking tease stuff (hmm, must try to find her in a full-on scene), while the actual shagging is spot on. Right from the first scene, in which cute young Brianna Beach grapples with a frankly impressive knob (and takes a good facial at the end) right through to Shay's blistering reverse cowgirl in the final scene (3 hours later!) this is pretty impressive stuff. Tasty girls, hot sex, and good camerawork. Check it out. ★★★★★

Private Dive (Private) DVD

Private's commitment to taking porno birds to exotic locations and filming them getting bummed has to be applauded! The dive of the title takes place in scene three, when extremely cute covergirl Priva and her stuntcock manage to put on a professional display in scuba gear at the bottom of a pool. OK, so they come out for the anal and pop (probably just as well – who'd fancy taking a dip if they're likely to swim through a slick of jizz?), but a good effort nonetheless. The rest of the film is made up of regulation outdoor shaftings - plenty of backdoor fun in the sun (with perhaps a little too much pool table action) makes this a very solid Private offering. ★★★

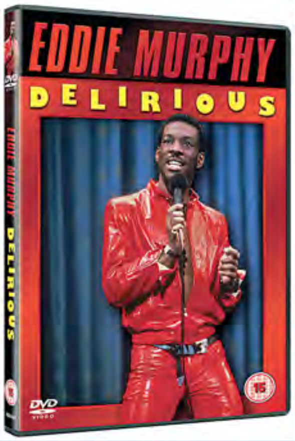
A-OK! (PlatinumX) DVD

A cheeky title, for what turns out to be a resolutely 'between the cheek'-y film. Covergirl Kissy Kapri kicks things off, giving us a bit of a tease before chowing down on her fella's length. They go through all the regular positions before turning anal, whereupon they do them all again. She's a lovely looking girl, so I guess that's good enough. Cuddly Kaci Starr is next, getting much the same treatment, before horny Rebeca Linares takes a double dicking. This girl is insatiable, and earns a double dose of trouser custard. There's anther regulation boy/girl featuring Trinity Post before Chelsie Ray winds things up with another DP-fest. Solid anal fodder, if nothing else... ★★★

Fallen Angel (ITV DVD) **DVD**

In keeping with the recent trend of DVDs hitting the shelves more or less as soon as the programme itself has first aired, here's a very recently broadcast offering from ITV. OK, so while their recent comedic efforts have been mostly laughable (in the wrong way, sadly) the drama department have been making a few waves, with this classy effort a notable example. Featuring rather a smart cast (Charles Dance, Sheila Hancock and The Pianist's Emeila Fox), it's the intriguing tale of a female serial killer – and how she got to be so warped. The three episodes run backwards in time, making it solid, innovative television. ★★★★

Eddie Murphy: Delirious (Starz Home Entertainment) **COMP!**



Remember when Newman and Baddiel played Wembley and everyone wazzed on about comedy being the new rock'n'roll? Well what a load of bollocks, because as this legendary stand-up performance proves all too clearly, it was already rock-'n'roll back in 1983. At long last this gig's got a DVD release, and, to be honest, it's looking a bit dated, with a long opening gambit about 'faggots' that'd be a bit tricky to pass off these days. Still, the verve of the potty-mouthed humour should win you over in the end. To win one of five copies, tell us the name of the character Murphy played in *Beverly Hills Cop*, and send it to the usual address by April 27th. ★★★

The New Erotic Photography (Taschen) **BOOK**

No no, this is not a new book of erotic photography, but a book of new erotic photography. It seems there have been moves afoot in snapping circles, with a lot of top photographers keen to get away from some of the stereotypes that have been around for donkeys years. In other words, if you're after a lot of stuff of leather and PVC-clad dominatrices, you're best off looking elsewhere. Instead, we've got a whopping book crammed full of candid and saucy shots from no fewer than 82 top lensmen (and women) from all over the world, making this as good a run-down on the subject as you could hope for! ★★★★

As Good As She Gets (D.V.E.) **DVD**

The word 'erotic' has got to be open to more interpretation than pretty well any other, and nowhere is the concept more stretched than it is here. To call these badly shot, stupidly choreographed grapple contests erotic would be like calling *Brief Encounter* porn. Alright, so some of the women on show are, in all probability, quite sexy – given the right environment – but sadly the ring in which they're fighting, in front of a couple of dozen uninterested spectators, isn't really it. Still, if you're turned-on by the idea of (fully attired) big breasted women chucking each other around, you might want a gander. Otherwise, steer well clear. ★

Welcome To Dongmakgol (Pathé) **DVD**

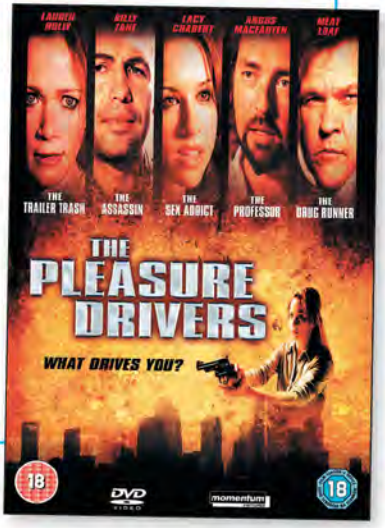
SPECIAL COLLECTOR'S EDITION
welcome to
DONGMAKGOL
featuring hye-jeong kang star of 'oldboy'

As far as internationally successful far-Eastern cinema goes, Korea's right up there with Japan these days, and if this well-crafted flick is anything to go by, it's not hard to see why. Featuring quite a few faces familiar from stylish martial arts successes like *Oldboy* and *Sympathy for Lady Vengeance*, it's the tale of disparate bands of soldiers who wind up in the same remote village during the Korean War. Three communists from the north, two of their opponents from the south and an American pilot clash at first, then start to realise they need to work together to help the villages. A very nicely conceived and executed anti-war parable. ★★★

Extras Series 2 (BBC) **DVD**

Despite something of a mauling at the hands of American comedy legend Garry Shandling in a recently televised interview, Ricky Gervais still casts a very long shadow over TV comedy on both sides of the Atlantic, and it's a pretty safe bet someone you know will want to snap this second series of *Extras* up as soon as it hits the shelves. In Andy Millman, Gervais has created a character just as unlikeable as David Brent (erm, that's not really the only similarity), and the cod celeb-baiting that goes on in this series is knowing enough to keep everybody happy. Even Barry from *Eastenders*. Bottom line, of course, is that it's very funny. ★★★★

The Pleasure Drivers (Momentum Pictures) **DVD**



There's a certain kind of film that can only really be made – and set – in Los Angeles, and this is certainly one of 'em! Probably a bit too fragmented and off the wall to garner much mainstream success, *The Pleasure Drivers* tells the tale of various LA loons, losers and – hooray! – lesbians, in a pretty intricate tale of drugs, kidnapping and murder. A reasonable enough cast (Billy Zane, Lauren Holly and a nice turn from Meatloaf) do their best to hold things together, but all in all it's a little too patchwork – and the tone rather too bleak for the stabs at comedy – for it all to work properly. Maybe worth a rental… ★★

TALKIN' BLUE

Got a horny experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

WICKED WIVES

I've just done something really naughty, something I never thought I was capable of doing. I'm in my late twenties and after having a few partners in my life I recently got married to one called Kev. I was a bit of a slapper before I met Kev, I was always having one night stands or experimenting sexually but since I got hitched I've calmed down and I have been extremely loyal. It's been quite easy because Kev has got a massive cock and always satisfies me in the bedroom so I haven't had to look elsewhere for my erotic kicks. Or so I thought, because last week I strayed…

It was a week day and Kev was at work while I did the usual chores around the house. I had planned to go to the supermarket later that day but just before I was about to leave the house I was interrupted by an unexpected guest. Emma lives a few doors down from me and her husband happens to be best mates with Kev. She's a pretty blonde thing, a few years younger than me and we get on really well.

Like me, Emma had a bit of a reputation before she settled down and I'd even heard she'd had a few lesbian relationships when she was younger. I thought those days were past her and I never felt like she saw me as more than a friend, but when she came round in a flood of tears I realised it was more than that.

"I've got something important to tell you," she said between sobs.

Not thinking anything of it I took her in my arms, gave a good hug and told her to tell me what was upsetting her. I certainly wasn't prepared for her answer.

"I really fancy you!" she declared.

Naturally, I was gob-smacked and I know I should have broken our clinch there and then but for some reason I kept my arms wrapped around Emma. In fact I pulled her even closer to me. I think she was more startled than me by this and the astonishment was amplified when I leaned forward and kissed her!

It was as if I didn't know what I was doing, but somehow I did. Emma responded to my kiss by pushing her own tongue into my mouth and that was it, we were having a full-on snog. My mind was in a daze but deep down I was enjoying it. I'd never snogged a girl before and I was surprised by how good it felt.

Emma must have noticed how comfortable I was with the situation because then she raised the stakes by grabbing one of my breasts. Her touch was soft and gentle and when she began to squeeze my nipple through the fabric of my top I went all weak at the knees. I knew I was crossing a line that I had never crossed before but at that point I thought nothing of it and reciprocated by grabbing her breasts. They were a

little firmer than mine and as I squeezed them Emma gave me a pleasing smile. It certainly made a change from the sad face she had been sporting just minutes earlier.

“I knew I was right about you,” she murmured, then she set off big time. After snogging and grinding against each other for several minutes the buxom blonde manoeuvred me around to the edge of the sofa, quickly removed my top, and leaned down to nurse my left breast. The sensation of her tongue flicking across my stiff, ruby nipple threw me into a frenzy. Pressing her face into my heaving bosom, I frantically wiggled my hips and soon my skimpy dress was draped around my ankles.

“I tenderly fondled her breasts and sucked lustfully on her erect nipples”

I moaned, as she siphoned my wobbling boob into her mouth. When she pulled my fragile thong away and wedged her hand between my clenched thighs, it felt even better. I automatically spread my legs, sending my shorts flying across the room. Emma immediately eased two fingers up my split hole and went to work on my right breast while I jacked my hips at her intruding fingers. That wonderful woman certainly knew her stuff. Once she had brought me to the brink of satisfaction, she abandoned my boobs, set my arse on the sofa, and knelt down to lap lustfully at my moist pink slit before thrusting her tongue at my throbbing clit. Her timing was perfect. Grabbing hold of her hair, I stifled a pleasurable scream and hit my peak.

Emma kept her hungry lips glued to my twat until she had sampled every drop of my creamy discharge, then lay back on the sofa. I knew exactly what she wanted me to do. Crouching above her voluptuous body, I tenderly fondled her breasts and sucked lustfully on her erect nipples.

“My, you’re such a tease!” she hissed, writhing like a snake. “Don’t keep me waiting! Eat my pussy!”

How could I refuse? Swinging around between her toned thighs, I trailed my fingers through her sparse bush to part her wet flaps, and pushed my tongue up her gaping gash. Emma yelped as she curled an arm over my raised arse. I thought she was going to frig my snatch again, but instead she hauled my rear end upward and began slurping at my snatch. By the time we had reached mutual climax, we had practically shaken all the cushions off the sofa!

I don’t think I need to tell you what has happened since, but I’ve been to see Emma

everyday and while our husbands are at work we've been making the most of our time together. The men are meant to be going away on a golfing trip soon so me and Emma are really looking forward to being left home alone that weekend! – *Natalie, Stevenage*

WET WORKOUT

I'm a salesman and often spend the occasional night in hotels around the country. Last week I had a stay in one and after checking in, dropping my suitcase in my room, I headed for the gym. After half an hour of lifting weights I gradually felt the stress leaving my body. A final blast on the rowing machine was enough for me.

Back in the changing room I stripped off and headed for the shower. I hung up my towel and turned to face a line of four showerheads. It was then that my jaw nearly hit the floor. Beneath the furthest showerhead was a beautiful, blonde girl washing her hair. Her eyes were closed and she was unaware of my presence as I savoured her delightfully pert breasts and peachy round bum.

I eventually snapped out of my trance and grabbed my towel to wrap around my waist. I let out a loud, purposeful cough. The girl opened her eyes to see me standing there and not surprisingly let out a scream. She instantly grabbed her towel to cover her naked bits. Keen to reassure her I was not some perv, I explained that she was in the wrong changing room and the Ladies' was next-door. She came over all embarrassed but that soon changed as her eyes wandered up and down my semi-naked body. A naughty grin stretched across her face.

"I still need to finish showering," she said, "You don't mind, do you?"

"Not at all," I replied as casual as I could muster, "Do you mind if I join you?"

"It's your changing room," she replied, "Feel free."

We each stepped under the showerheads at opposite ends and started to wash. I didn't disguise the fact that I was staring directly at this gorgeous girl and she in turn was facing me and massaging her firm breasts with soapy suds. She slid a hand between her legs and I copied her, soaping my balls and the shaft of my rock hard cock.

"What's your name?" I asked.

"Sian," she replied, "And yours?"

"Andy."

There was a bit of a pause.

"Sian," I asked, "Would you like me to wash your back?"

"Oooh, please," she teased, "I thought you'd never ask."

She made her way towards me, swaying her hips seductively, water gliding over her smooth, tanned skin.

We embraced, our lips met and we kissed passionately. I turned her around so she faced away from me and began to soap her back. I moved in close and kissed her neck as I slid my hands around to fondle her breasts. She moaned and her body became more animated as I played with her nipples, gently teasing and pulling them until they were firm and erect.

I moved my hands further down Sian's body and caressed between her legs. She was wet with her own juices and I stroked my hands over her moist, shaven slit enjoying her groans as I played with her clit and hearing her gasp as I pushed a finger, then two inside her. I knew I could make her come if I continued but I had a better idea. I bent Sian over and knelt behind her before burying my face deep into her snatch. She cried out with pleasure as I tongued her bald muff and her cries turned to shrieks as I rimmed her bum hole. From her breathing I could tell she was close to coming and I returned my tongue to her sticky slot getting faster as her breathing quickened. Sian let out a final, triumphant scream as her orgasm ripped through her body.

> ***"I grabbed onto her hips and started to fuck her, my balls slamming hard against her arse"***

Sian turned to face me and we kissed, then with her hand gripping tightly around my tool she crouched in front of me. She teased me with the tip of her tongue licking up and down the shaft of my bloated cock before planting her luscious lips over my swollen end. She glanced up at me before taking my whole length in her mouth. Her technique was so spot on I had to concentrate hard not to spill my load.

Sian gave my cock one long, final suck and then stood up.

"Andy, I want you to fuck me," she said.

"Turn around," I replied.

Sian slowly turned around and as she presented her rear to me I ploughed my cock into her soaking pussy. She squealed with delight as I pushed my cock in right up to the hilt. I grabbed onto her hips and started to fuck her, my balls slamming hard against her tight, tanned arse. As I pounded into her Sian looked over her shoulder and ordered me to fuck her harder. Needing no further encouragement, I grabbed a handful of her long hair and pulled, whilst thrusting my cock into her harder and faster. She reached between her legs and grabbed my balls, licking her lips like some porno slut. That final, filthy look took me over the edge and with a massive surge I came, pulling out my cock and spraying her fine arse with my seed. I shot streak after streak of hot, sticky come until finally, I was stood there, cock in hand, admiring the white mess I'd sprayed all over this blonde beauty's behind. Fortunately there was a shower at hand for us to clean up! – *Andy, Bristol* ♣

POSH BOSH

I have had very few posh girlfriends but my latest lover is a very upper class bit of muff, with a seriously plummy accent. She's a fit enough looking bird and not a bit scared of getting down and dirty when we're between the sheets.

Elizabeth is 24, brunette, and has a lovely body, but her best attribute is defiantly her large but firm arse. When it comes to having sex, Elizabeth is not just cooperative but very enthusiastic and enjoys a good workout. Only the other night she insisted in having sex in just about every position possible and I was sweating like mad after the first half hour.

> ***"She squealed in delight, slamming her quivering buttocks back onto my shaft"***

I had fucked her good and hard in the doggy position for at least 20 minutes, thrusting deep inside her tightly gripping pussy while I groped her swinging tits. Elizabeth dipped her back and was slamming her bum back against me as I thrust inside her.

She's well built and muscular so I didn't have to worry about hurting her. Really, at this stage my main concern was preventing myself from blowing my load too soon. With all that vigorous shunting back and forth inside her, the friction on my cock was getting to me and I had to pull out to prevent myself from climaxing.

Elizabeth didn't take too kindly to this and after letting off a string of expletives she rolled onto her back and demanded that I eat her. I would not put up with this from any of my other girlfriends but I know that Elizabeth has to be really and truly fucked before she can be properly satisfied, so I make allowances.

Crawling between her widely spread thighs I pushed my tongue through her lightly curling muff and tongued the delicious folds of her patrician pussy. Knowing that a delicate touch would be wasted on Elizabeth I began sucking and nibbling at her puffy pink labia, drawing her pussy petals between my lips and sinking my teeth lightly into her delicate flesh.

"Yes," she shouted, gripping the sheets as I pinched her engorged clitoris, twisting it until I felt her bucking against my mouth. She came hard, grinding her crotch against my lips as she gripped my head and held my mouth in place. My face was plastered with her juices as I came up for air and I was thrilled to see that she was still coming as I began to work my fingers in and out of her pussy.

Quickly I mounted her again, this time in the missionary position and began rogering her with long slow strokes. Elizabeth lay back, allowing me to get into my stride as she got back her breath. I worked my cock back and forth, increasing the pace until I was really slamming into her.

Her whole body stiffened as she came again, wrapping her legs around my back as her pussy muscles constricted around my shaft. "More! More! Come on, give me more," she ordered, her legs tightening almost painfully around my waist.

Fuck this, I thought. No bird is going to talk to me this way! So I pulled out, and, in one swift move I sat up and pulled her across my thighs. Elizabeth seemed to like being manhandled and was almost purring like a cat as I ran my hand across her rosy bum cheeks, caressing their silky smoothness, then dipped my fingers into her juicy pussy. Elizabeth immediately pressed back on my hand and begged me to frig her. Pumping my fingers inside her sopping gash I obliged her until she came again, her pussy muscles gripping my fingers with almost painful ferocity as she orgasmed.

Elizabeth crawled off my lap and onto the bed covers on her hands and knees. Parting her legs as far as they would go she dipped her back, cocking her arse in the air and displaying her puckered little anus. It was pale pink and ripe for fucking, and I wasted no time positioning myself behind her. Looking back over her shoulder at me she asked if I would like to enter her by her "trademan's entrance".

The crudity of her words, uttered in such upper class tones, almost gave me cause to blow my load there and then. Such filthy, uncouth language from such a delicately brought-up and sophisticated young lady made me really randy and I prodded her sphincter and prepared for one concerted, monumental push.

"Use the lube!" she reminded me, looking momentarily horrified and tossing the tube back to me. And just as well! She had me so fired up that I'd entirely forgotten the necessity of preparing the way for anal expeditions.

Squeezing a dollop of lubricant on to her anal rose, I massaged the perfect circle gently with my fingertip. Then, stretching her sphincter very gradually and carefully with my fingertips, I worked a finger inside into the velvety interior of her rectal passage.

Elizabeth moaned with pleasure, begging me to insert more fingers and stretch her wider. I managed to get two more inside her, and as I shunted them back and forth she pushed back, forcing them deep.

The poshest bint I'd ever known was now well-lubed and ready for cock! I prodded the tiny soft folds of her delicately crimped little anus with my rock-hard schlong and rammed it home.

Ploughing a deep furrow into her rear, I reached forward and snatched hold of her teats. She squealed in delight, slamming her quivering buttocks back onto my shaft. I rode her bum hole almost angrily, exulting in the feeling of dominance with which botting a young thoroughbred filly inevitably charges the rider.

Finally, sensing my approaching orgasm, she asked me to withdraw. Twisting nimbly around, and pushing me flat on my back, she grabbed my shaft and lowered her lovely face to intercept each spurt of come as it fountained from my straining, vertical cock. Filling her gob with my cream after I'd just done her up the bum is something none of my other girlfriends – no matter what class they are – have ever done, so Elizabeth certainly earned my respect for her filthiness. – *Martin, Surrey*

TUSH TREAT

I'm one of these people that dreads Valentine's Day for the simple fact that I haven't got a significant other and there's nothing worse than seeing couples openly expressing their love for each other on 14th February. But this year I had an unexpected surprise.

I catch the train to work every day and tend to sit in the same carriage. I've got to know some of my fellow commuters over the years and often pass the journey with light conversation. One particular commuter, a petite little blonde called Sarah was always a pleasure to travel with. Not only is she very easy on the eye but there's something sexy about her demure com-

> **"I didn't even have time to withdraw as my cock burst deep inside her rear"**

posure and I'd often had flirtatious chats with her on the way to work. I'd sussed out some time before that she was single but admittedly I'd never had the confidence to suggest we meet in a non-commuting predicament.

On Valentine's Day she got on my train clutching an expensive looking bouquet of roses. She took the seat next to me at which point I jokingly said, "Oh, you got the flowers I sent then!"

As soon as I said that her jaw dropped. "So it was you? I had no idea you liked me."

Being in a jovial mood I decided to play along with her as I assumed she realised I was just kidding. But then it dawned on me that she didn't. She really thought I'd sent them and the best thing about this was that she seemed quite interested, which made it really easy for me to steer the conversation to suggest that we meet after work for a drink.

Sarah agreed and we set a time and a place. Now I thought the real sender of the flowers would contact her during the day, she'd realise I didn't send them and subsequently wouldn't turn up. How wrong I was. She sent me a text message an hour before we were due to meet to ask if I was still up for it. Of course I was!

We met in a bar near the station and I noticed she had really dolled herself up since the morning. We had a few drinks and then she started to get quite touchy feely. Then she leaned forward and whispered in my ear, "I've never done anything like this before but do you want to go somewhere a bit more… well, private?"

I asked her what she meant and she suggested a hotel room. I couldn't believe my luck. And besides it made sense since we would probably miss the last train home. Half an hour later we were in a hotel room passionately undressing each other. Sarah looked fantastic out of her clothes, her breasts were small and pert, her legs slender and her pussy neatly trimmed.

She wrapped one of her small hands around my stiffening cock and tugged on it until it was nice and firm. Then she dropped to her knees and took it in her mouth. I gasped as her lips tightened around my shaft and she cupped my balls in her hand. Her head bobbed back and forth and with each stroke I became more aroused. Then I directed her towards the bed and we assumed the 69 position.

Her pussy was already wet and after fingering it lightly I unleashed my tongue. Sarah wriggled as I pushed her soft clit with the tip of my tongue and after a few minutes she had increased the intensity of suction on my cock. We must have been engrossed in this oral clinch for almost an hour until Sarah pulled away and demanded I fuck her.

She got on to all fours on the bed and raised her rear end for my taking. I pressed my knob against her wet slit and watched in joy as my cock sunk deep inside her vagina. Sarah whimpered as I buried myself completely and began to pump into her. I grabbed hold of her slim waist and hastened my pace. With each thrust she groaned louder and even reached back with one hand to tickle my balls. At this point my eyes became fixated on her brown hole. I'd never done a girl up the arse before and thought this might be chance.

I tested the water by prodding her ring with my little finger. Her whimpers raised when I did this and so I burrowed my little finger to the first knuckle in her bum. Sarah didn't seem to mind so after loosening up her anus with a couple of fingers I pulled my throbbing prick out of her wet snatch and teased her sphincter with it.

"Go on then!" she panted. Not wanting to keep her waiting I pushed hard and with one thrust I was buried to the hilt up her anal passage. Sarah trembled at such a sudden intrusion and then I took the lead and began to pound away. Sarah responded with louder groans and by strumming her clit.

Eventually I felt the rumblings down below. I couldn't hold my load much longer, and my body froze as I spewed powerful jets of my cream into her backside. By the time I withdrew her arsehole was oozing with my come so much it was bubbling.

Well spent, we both collapsed on the bed and drifted off to sleep. In the morning Sarah thanked me for the flowers and suggested we see each other again. I was in total agreement. Unfortunately our relationship never made it to a second date as I received a text from her that very day informing me that I was "a fucking lying bastard" and funnily enough I haven't seen her on the train since! – *Jamie, Tonbridge* ♣

The Club International Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

Kaiser Chiefs

New To You (B Unique)

So, do the Kaisers still sound like a fat Blur or have they been souped up like a Vauxhall Nova on a Swindon council estate? Well, Blur it is, so come Father's Day your old man will be well suited with the Yorkshire lads' second LP.

Ry Cooder

My Name is Buddy (Warners)

One of the stars of Cuba's Buena Vista Social Club, old Ry has managed to carve himself a kushty solo career and a tasty bank balance while still getting his cigars on the cheap. And middle-class lasses seem to love him, so next time you bump into that barrister from Oxfordshire, tell her Cooder's an old mate of your Grandad's and she'll be sucking you off before you can shout "Monica Lewinsky".

The Bees

Octopus (Virgin)

Not many bands would openly admit that *You've Been Framed* is one of their favourite TV shows, but according to their Myspace page, The Bees get a semi-on from Beadle and his camcorder fun. When not laughing at eight-year-olds fall off rope swings into rivers, the Isle of White sextet make lovely songs that you can finger girls to while drinking cups of tea and eating scones – it's all very nice and groovy.

Arcade Fire

Neon Bible (Rough Trade)

Canadians have a hard time – half the world gets them mixed up with the Yanks and the Crash Test Dummies were their biggest band. But not any more. The Arcade Fire are about to stick that red and white flag with the leaf in the middle of it right onto the musical map with a belter of a second album. Carrying on from where *Funeral* left off, *Neon Bible* is packed full of epics bringing smiles to the faces of students everywhere.

Mr Hudson & The Library

A Tale of Two Cities (Mercury)

Imagine crossing Burt Bacharach with Busta Ryhmes and you've got Mr Hudson. Mixing hip-hop with pianos, steel pans, and tweed jackets, this LP is surely in the running for a Mercury Music Prize nomination.

BEND DOWN, GET DIRTY!

Club gets connected with Stereo MCs frontman Rob Birch...

What sort of women do you go for, pal?
Oh, I love women, man. Women are beautiful. I love girls. You never know, do you? Sometimes you just click with people. What I have learnt is that I'll never understand women and maybe that's the secret. Don't try to understand – just be the best that you can be. I think if you give honesty you'll get it back sooner or later – you will do. One thing I have learnt is that you've got to look a bit deeper than the beauty on the skin. There's lots of really beautiful girls but eventually you're gonna need one which has got a beautiful side for you underneath the skin. I'm sure every girl has a beautiful side but she doesn't necessarily have it for you. It's finding that combination.

So big tits and tight asses then! Do you like them shaven or bushy?
I love the natural woman, man. But I'm open minded!

Where do you go on your holidays?
These days, anywhere with my kids is great. Holidays have a lot more meaning when you've got children – they give you something to do. I like to walk around with my little boy and girl with a net and have a look at the fish and fail to catch them! Jamaica is a beautiful place – it's good to know someone there who can give you the real deal on where to go and what to do and what not to do. The last time I was there was a few years ago when Chris Blackwell still ran Island Records and he invited me to his house called Goldeneye. It's like being in a James Bond film, man. You've got your own little cabin and your own private little alcove on the beach. It was just unbelievable – I've never seen anything like it in my life. I'd get in the water and little fish would be swimming around my legs and I'd be like, "Breakfast!" As long as you feel alright in yourself you can have a good time anywhere. I go down Brighton and have a good time down there with my kids. Children teach you that it's the simple things in life that are important and it don't matter where you are, you can still take your socks off and kick the water about and chuck stones and stuff.

Result. What sort of jobs did you do before the MCs started?
When I moved to London I started getting into washing-up jobs and cleaning a DHSS hotel which was an eye opener. You'll have young mothers separated from their husbands with their children put in one-bedroomed bedsits with a little cooker and they've got to keep their two children in this bedroom with the cooker for months until they get a flat and it's pretty rough. It wasn't pleasant for me to clean those rooms so God knows what it was like to actually live there. It makes you think being a Daddy.

What's the most you've ever robbed?
One thing I have learnt – it comes back on you, man. It comes back – believe me. I've done a couple of dodgy things and they've both come back so I don't nick nothing now. If I find a nice towel in the dressing room I think, "I'd love to take that towel home, it's a lovely pretty towel," but I leave it, man. It will come back. I've robbed a couple of nice records and then I've had some pukka little pearls robbed from me. Once I did a little dodgy thing and a very dodgy thing happened to me. So, you know, it doesn't work. That's why the more responsible you are with your life, the happier you will be because you consciously go, "I'm not going to fuck anybody about because I'm just gonna get fucked otherwise". ♣

A LOVELY BIT OF VERT

Stand to attention, this babe doesn't take it lying down…

PHOTOS: JACKS

Cast your eyes over Alyssa and then try and guess her favourite sex position. Do you think she looks likes to be on top? Or does she love doing it doggie? Or maybe she prefers the man to take charge and will happily lay on her back legs akimbo? Well, we couldn't be arsed to guess ourselves so we asked her…

"That's easy," Alyssa answered, "I love doing it standing up. I know it takes a bit more effort but I find it so satisfying. When I'm straddling a dick vertically it seems to feel so much bigger. Of course it takes a strong man, and ideally a taller one than me, to fuck me this way but I don't seem to have a shortage of them willing to do it. And the best thing is you can do it anywhere. In an alleyway, a toilet cubicle, on a train – virtually anywhere where it's standing room only!"

Crikey, just the thought of that gives us back ache! ♣

HOORAY FOR HOLLY!

We love a girl who likes to talk – dirty!

PHOTOS: TANIA STEVENSON

If you're an avid leg fan then you're going to be over-the-fucking-moon with Holly's pins. Nice and slender doesn't even go half way to describing them. Can you imagine having them twisted around your helpless body in the throes of sexual ecstasy? It's a great image, isn't it? We can certainly think of worse ways to have sex with her. But even those conjure up pleasant images in our filthy minds.

"Don't you guys ever stop thinking about sex? And are all men just as bad? It's just every time I have a conversation with a man it quickly turns to sex. I could be talking about shopping, or football, or something on TV and he'll steer us on to sex in no time. It's a good thing I'm not a prude, otherwise I'd be slapping a lot of faces. Although I'd prefer to be slapping a lot of arses. Nothing turns me on more than slapping a naked arse… Oh my God, you've got me doing it now!"

So you don't want to talk about shopping then? ♣
